is a new, 3-month water transport pilot project running from 14th June through to 31st August. The water transport service runs along the Milford Haven Waterway and Lower Cleddau Estuary and operates on Fridays, Saturdays and Sundays only.

The service provides the missing link between the beautiful Pembrokeshire Coastal Path walks at Dale and Angle and connects the towns and villages along the Milford Haven waterway.

**Havenlink** is also ideal for exploring the Pembrokeshire Coast Path National Trail which includes part of the national cycle network, passing through Milford Haven and Neyland.

Starting at Burton and travelling to Neyland, Hobbs Point, Hazelbeach, Milford Haven, Angle and Dale, **Havenlink** is a regular service, which will cover part of the stunning 22 miles of Waterway.

The service has been designed to complement the excellent Puffin Shuttle and Coastal Cruiser Bus services which form part of the Coastal Bus

network. The **Havenlink** timetable integrates with these and other land-based public transport services to allow passengers to plan their Pembrokeshire adventure using a combination of water and road based public transport.

Whatever your quest: the start of a walking holiday, showcasing the area to visitors, a special event or planning an adventure on your doorstep without using the car, **Havenlink** is an opportunity for all.

**To Book  
Call 01646 602681**

**How much will it cost-**  
 Adult day return £5  
 Child day return £3  
 Adult single £2.50
